EPC and FPC Meeting

February 22, 2012

Minutes

Present: Norman, Gasco, Hill, Brooks

There was a discussion about program elimination and how the senate would want to be involved or does the senate want Program Review Panel to handle this. Gasco said that in one of the documents about program elimination it referred to the Program Effectiveness Committee. Gasco had not heard of this committee and wondered if we had it. Gasco went over the various documents she located on program elimination. Norman suggested that we let the Program Review Panel and the Program Effectiveness Committee handle this. Norman suggested that we find out if the Program Effectiveness Committee does exist. Gasco had a Program Effectiveness Report which was guidelines for program review. It was not fully vetted.

Gasco said that we need to educate the state how important higher education. It seems that almost all California Legislators received a degree from the CSU.
