Campus Tour
Group Visitation Guidelines

CSU Dominguez Hills is committed to providing access to the campus for groups interested in learning more about the University. Group campus tours are organized with the prospective college student in mind, and are not intended for general school field trip purposes. Our University strives to provide the safest possible environment for all its students, staff, faculty, and visitors.

Groups must read the group tour visitation guidelines before scheduling their group tour.

1. All tours begin at the scheduled time as many of our Tour Guides have educational obligations immediately after their scheduled tour. Please understand that because of these restrictions, we may have to offer your group self-guided brochures if the group is late by 15 minutes or more.

2. Students selected to attend campus tour should be pre-screened to establish that they have genuine interest in CSU Dominguez Hills. The purpose of the campus visit to CSU Dominguez Hills is for each student to seriously explore his/her options in higher education.

3. Chaperone requirement: For high school groups, there must be at least two chaperones for every 35 students. For middle school groups, there must be at least one chaperone for every 20 students. The maximum amount of students shall not exceed 70 for any given tour. Additional students will not be allowed on the tour and chaperone of remaining students will be given a self-guided brochure as an alternative.

4. Unsupervised Minors Policy: Chaperones must stay with the group at all times, including during the campus tour, and maintain order within the group. Guests are expected to show respect to the University and its facilities at all times. Visiting schools/organizations will be held responsible for any damages that may occur to campus facilities during their visit. If at any time during the campus visit the group is deemed unruly or unmanageable the tour may be terminated. View the University’s Unsupervised Minors Policy for further guidelines group tours must abide by CSUDH.EDU/UnsupervisedMinors.

5. Should your group need a wheelchair accessible tour, you must inform our office upon scheduling the tour. Our office will make every effort to accommodate a wheelchair accessible route.

Your cooperation with the above guidelines is greatly appreciated and assures that we will continue to have successful campus visits in the future. If your group cannot abide to the guidelines please feel free to contact Enrollment Services at (310) 243-2839 before scheduling your tour.
