Lehigh University is offering opportunities to under-represented minorities to pursue a Ph.D. in bioscience-related fields.

We invite you to apply for a GAANN* Fellowship
(*Graduate Assistance in Areas of National Need)

Students with relevant course work and training in any STEM related field are strongly encouraged to apply. Application fee waivers are available.

<table>
<thead>
<tr>
<th>The specific components of the fellowship package include:</th>
<th>Eligible applicants must be U.S. Citizens/U.S. Nationals/permanent resident, a member of an under-represented minority, intend to continue their career in teaching or research, and must apply and be enrolled in our PhD program.</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. A full tuition waiver</td>
<td></td>
</tr>
<tr>
<td>2. Fellowship stipend (up to $30,000/year, based on financial need) for two years</td>
<td></td>
</tr>
<tr>
<td>3. Funds to attend a scientific conference</td>
<td></td>
</tr>
<tr>
<td>4. A supervised teaching experience</td>
<td></td>
</tr>
<tr>
<td>5. Continued stipend and tuition support for an additional 3 years. After year 2, students will be supported as either a teaching assistant or research assistant in the department.</td>
<td></td>
</tr>
</tbody>

**Ph.D. Programs in:**
- Cell & Molecular Biology
- Integrative Biology and Neuroscience
- Biochemistry

**Research interests include:**
- Cell Biology
- Behavioral Ecology
- Evolutionary Biology
- Ribosome Diversity
- Reproductive Behavior
- Synaptic Physiology
- Eukaryotic Gene Expression
- Behavioral Neuroscience
- Nuclear Structure & Function
- Developmental Genetics
- Cardiovascular Biochemistry
- and more!

For more information and to apply to our graduate program, please visit [www.lehigh.edu/~inbios/grad/](http://www.lehigh.edu/~inbios/grad/)

For other inquiries and a waiver for the application fee, please contact Ms. Heather Sohara at inbios@lehigh.edu.
