

Professional Biography For Erwin Walker

Erwin Walker currently serves as Senior Territory Manager for the IRS' Large Business and International Division's Communications, Technology and Media Industry Group. As Senior Program Manager, Erwin is responsible for overseeing tax compliance operations of large business entities headquartered and operating in the Los Angeles Metropolitan area. Erwin previously served as IRS Senior Territory Manager for the IRS' Natural Resources and Construction Industry Group, and the Heavy Manufacturing and Transportation Industry Group wherein he was responsible for overseeing tax compliance operations impacting large and mid-size businesses along the United States' West Coast and in the State of Nevada. Erwin has served as Territory Manager since the inception of the IRS' Large and Mid-Size Division in May 2000. Prior to serving as Territory Manager, Erwin was the Examination Branch Chief for the San Bernardino, Palm Springs and El Centro, CA offices in the IRS' former Southern California District.

Erwin holds a bachelors degree in Business Administration with an Accounting concentration from Cal State Dominguez Hills, and holds a Masters Degree in Business Administration from the University of Redlands in Redlands, California. He is an actively licensed CPA in California, and President of the IRS California CPA Certification Program.

As a proud graduate from Cal State Dominguez Hills, Erwin serves as an Adjunct Faculty Lecturer of Financial and Managerial Accounting for the university.
