Summer Sessions

DO YOU WANT TO TAKE UNIVERSITY CLASSES **NOW?**

CSUDH Summer Session is an easy way for anyone to participate in regular university classes at CSU Dominguez Hills.

Registration is easy - formal admission to CSUDH is not required. Simply call 310-243-3741.

Each class you take through Summer Sessions at CSUDH may apply toward your future degree while you enhance your professional skills and explore your personal interests.

High School students who will have completed their junior year by June may register with the written support of their principal or counselor accompanying their registration form and fees.

Earning Credit Toward a Degree Through Summer Session

Summer Session courses are recorded as resident credit on CSUDH transcripts and can count toward undergraduate and graduate degrees at CSUDH

For further information,
Call: 310-243-3741

- Take CSUDH credit courses without being admitted to the university. No transcripts, applications, or other documentation are required. Apply credits you earn to a degree later, if you wish.
- Test a degree program to see if it suits your educational aspirations.
- Improve your grade point average if your first attempt at college courses was less than successful. If you have been disqualified from the university or denied admission because of a grade point deficiency, you can enroll in Summer Session and get a second chance to show your true potential.
- Complete requirements for a degree begun at another university.

DROPS AND SCHEDULE REVIEW

For: Students who have already registered but who wish to check their schedule or drop class(es).

Dates:

Fees: Will be refunded by mail, automatically if dropping class will result in a change of fees. Drops must take place during the period to drop with refund.

Non-attendance in class, notifying the instructor, or stopping payment on a check does NOT officially constitute dropping or withdrawing from a course. The CEE Registration office must be notified and appropriate forms must be filed. Students must drop via MyCSUDH or in person, to officially drop or withdraw.

DROPPING A COURSE OR COMPLETE WITHDRAWAL FROM SUMMER TERM

If you decide to drop a course or completely withdraw (drop all courses), you must file a Change of Program (Drop Card) from the Extended Education Registration office, EE 1100.

Drops and complete withdrawals may be processed via MyCSUDH prior to the session. You must drop all classes by May 26, 2017 to receive 100% refund (less \$10 processing fee) for Summer Session 1 and the Regular Summer Session. You must drop all classes by July 7, 2017 to receive 100% refund (less \$10 processing fee) for Summer Session 2.

DROPS DURING THE FIRST TWO WEEKS OF THE SESSION

Students may drop or withdraw from any six-week course prior to and during the first two weeks of a session without record of enrollment or "W" on transcript, and without instructor's signature. You may drop or completely withdraw from six-week (or longer) courses during this period via MyCSUDH .

DROPS DURING THIRD THROUGH FIFTH WEEKS OF THE SESSION

During the third and until the final week of the six-week session, the instructor's and the school dean's (or associate dean's) signatures are required on the Change of Program form in order to drop. Non-matriculated students need the signatures of the instructor and the dean of Extended Education. Drops or complete withdrawals during this period must be processed in person.

If a student drops or withdraws after the second week of either a six-week or regular session, a grade of "W" for the course(s) will appear on the student's transcript.

DROPPING FOUR AND FIVE WEEK COURSES

During the first week, a student may withdraw and no grade is assigned. No signatures are required if a four or five week course is dropped during the first week. Prior to the last four days of the session, a student may withdraw with a "W" with the signatures of the instructor and school dean. During the last four days of the session, a student may withdraw with a "W" grade for serious and compelling reason, with the signatures of the instructor and school dean.

Fees

Students are fully responsible for meeting the payment deadline even if a bill is not received. Failure to make a payment by the deadline may result in disenrollment from courses. Additionally, a hold will be placed on their student records and the Summer fees will need to be paid-in-full along with Fall fees to avoid disenrollment from Fall classes.

Students planning to borrow a Federal Direct Loan must be enrolled in the minimum required units. Students, who are not enrolled in a minimum of 6 units (undergraduate) or 4 units (graduate) during Summer Session I, will have their disbursements delayed until the start of Summer Session II.

Please note: Because students will be enrolling through Extended Education for their summer classes, State University Grants can not be offered to assist with the payment of registration fees.

Section 504 of the Rehabilitation Act of 1973

California State University, Dominguez Hills is an equal opportunity/affirmative action institution. As a unit of the university, the

College of Extended Education does not discriminate on the basis of race, color, religion, national origin, gender, sexual preference, age, disability or veteran status. This policy is applicable to employment and student admission, and to all educational programs and activities.

Privacy Information

The University complies with Federal and State laws concerning privacy rights of students. These rights are summarized in the University Catalog. Questions about privacy rights may be directed to the Dean of Extended Education at (310) 243-3737 or the Vice President for Student Affairs at (310) 243-3784.

Use of Social Security Number

CSUDH provides all students with generic 9 digit student ID numbers. These ID numbers are used to identify student records, registration, and to conduct all University business. However, students are still required to provide the University with their correct social security numbers (individual taxpayer identification numbers) pursuant to the authority contained in Section 41201, Title 5, California Code of Regulations, and Section 6109 of the Internal Revenue Code. The University uses the social security number to identify records pertaining to the student and, if needed, to collect debts owed the University. Also, the Internal Revenue Service requires the University to file information returns that include the student's social security number and other information such as the amount paid for qualified tuition, related expenses, and interest on educational loans. That information is used to help determine whether a student, or a person claiming a student as a dependent, may take a credit or deduction to reduce federal income taxes. Students who do not have a social security number at the time of enrollment will be required to obtain a social security number and submit it to the University within sixty days. Failure to furnish a correct social security number may result in the imposition of a penalty by the Internal Revenue Service.

Immigration Requirements for Licensure

On August 27, 1996, Governor Pete Wilson issued Executive Order W-135-96 which

requested that the CSU and other state agencies implement "as expeditiously as reasonably practicable" the provision of The Personal Responsibility and Work Opportunity Reconciliation Act (PRAWORA) of 1996 Reconciliation Act (PRAWORA) of 1996 (P.L.104-193). The Act, also known as the Welfare Reform Act, included provisions to eliminate eligibility for federal and state public benefits for certain categories of lawful immigrants as well as benefits for all illegal immigrants.

Students who will require a professional or commercial license provided by a local, state, or federal government agency in order to engage in an occupation for which the CSU may be training them must meet the immigration requirements of the new Personal Responsibility and Work Opportunity Reconciliation Act to achieve licensure. Information concerning the regulation is available from the Vice President of Student Affairs, (310) 243-3784.

Important Tax Credit Information

If you are enrolled in an eligible degree or certificate program or are taking courses to acquire or improve job skills, you **may** qualify for a **Hope Scholarship** or **Lifetime Learning Tax Credit**. The **Hope Scholarship Tax Credit** is available only to students in their first two years of postsecondary education who are enrolled at least half-time in an eligible program. The tax credits are based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. Hope credits apply to fees paid after December 31, 1997.

The Lifetime Learning Tax Credit

The Lifetime Learning tax credit is available to students at all educational and enrollment levels who are enrolled at an eligible educational institution. As with the Hope Scholarship tax credit, this opportunity is based on the amount of qualified tuition and fees, less grants and other tax-free educational assistance and the taxpayer's modified adjusted gross income. The Lifetime Learning credit applies to fees paid after June 30, 1998.

Consult IRS Publication 970 or your tax

preparer for additional information on both programs.
