Your people work hard. Get them the credit they deserve.

Continuing Education Credit for the training you already do

Credit is a BIG bonus

Your employees and conference attendees gain value every time they attend a training you’ve created to meet their particular needs.

You could add a big value bonus: continuing education credit

CSUDH Extended Education offers a service that starts with three steps to review your planned or existing in-house training programs for continuing education credit:

✔ Call 310-243-3730, or email bwald@lists.csudh.edu.
✔ Prior to your training event, package and send information about your in-house or conference training.
✔ Your training is reviewed by CSUDH Extended Education for content and quality.

If your course, curriculum or conference is approved, participants receive a permanent California State University Dominguez Hills record showing continuing education units (CEUs).
