Cal State Dominguez Hills is dedicated to protecting its students, faculty, and staff during an emergency. The following are steps one should take when we experience a power outage:

- Remain Calm
- Contact Physical Plant at (310) 243-3804 or University Police at (310) 243-3639
- Do not use Elevators
- During daylight hours, classes/work should continue. Do not leave the workplace/classroom without authorization
- During nighttime hours, classes may have to be canceled, and evacuations may be necessary
- Assist individuals with disabilities, access, or functional needs
- Use flashlights if necessary
- Extinguish all flames in laboratories
- Avoid unnecessary travel
- Unplug or turn off all electrical equipment
- Some facilities have emergency generators for critical building support systems
