Request for WI Course Designation

Please include (1) a representative syllabus and (2) sample writing assignment(s).

Department: Course Number: Units:
Course Title:
Instructors likely to be teaching this course:

Please provide answers to each question. Please do not refer us to your syllabus, but rather supply all information on this page.

1. Total of at least 15 typed pages of expository writing (page = 250 words)—two or more pieces of writing submitted in multiple drafts, or a single long paper, with discrete components staggered throughout the semester.  
   How will this requirement be accomplished?

2. Opportunities for significant revision based on instructor comments on at least two-thirds of the assigned 15 pages.  
   How will this requirement be accomplished?

3. Instruction in writing strategies and conventions specific to the discipline.  
   How will this requirement be accomplished?

4. Indicate the ECLP or other training in writing instruction for each potential instructor of this course.  
   If instructors have not received specialized training, provisions will need to be made to insure that instructors can meet stated standards for Writing Intensive Courses. Please list the names of potential instructors who will need training to teach this WI course.
