### **When I try to access the application, I get an error message, and I am not allowed to see the page. What can I do?**

First, we recommend that you access the job site using Internet Explorer. Second, try closing your web browser and then opening it again.

Upon re-opening your browser, please delete your temporary internet files and cookies. To do this, go to your browser's toolbar, click Tools → Internet Options. In the "Browsing history" section, click the "Delete" button. Check the "Temporary Internet *files*" button and then the "*cookies*" button. Click Delete. . After you have completed these tasks, you should be able to access the job site. Finally, if you still cannot access the job site, you should contact your systems administrator or Internet service provider. They may have a firewall installed that is preventing you from viewing our page.

### **Does it matter what browser I use to acquire access to apply for positions?**

Use the Internet Explorer browser with all updates and fixes applied. Depending on the operating system that you are using, PeopleSoft will work with most versions of Netscape and Mozilla Firefox as well.

Tip: Do not use the Internet Explorer's forward and back browser buttons since they do not function within the job site and you will lose data you have entered. Please use the job sites navigational links to move between pages.

### **What is my User ID and password?**

Every employee has a User ID, which is the same as your network User Name that is created at the time of hire. Passwords may be set and reset by employees at the following link: <https://dhnet.csudh.edu>. If you are staff or faculty, your User Name and password are the same as your network/email login.

If you don't know your Username click on the "Forgot my Username" at the bottom of the page. Enter your Employee Identification (ID) number. Click "Look Up Username". Your username will be displayed in the "Results" box below.

If you are a current or prior CSUDH student, you need to log in as an external applicant at [www.csudh.edu/employment](http://www.csudh.edu/employment).

### **Can I apply with a résumé or cover letter?**

If you wish to attach any documents to your application, you must attach them as one document or Zip file. Attachments should be in Word (.doc) or Portable Document Format (.PDF) format. We recommend that each attachment contain your name and the recruitment number of the job for which you are applying. Human Resources does not accept hard copy information.

To attach multiple documents in one zip file, navigate on your computer to the folder where those documents are stored. While holding down the Shift key, left-click on each of the files that you wish to include. Depending on your computer's setup, follow one of these options:

While still holding the Shift key, right-click one of the files then select "Add to Zip file" from the menu. Enter a name for the zipped file. Click "Add."

While still holding the Shift key, right-click, then select "Send to." Select "Compressed (Zipped) file."

When applying for the position, select the Zipped file to upload.

### **Why can't I find my school, degree, or license in the list?**

You must complete the fields in the order they appear. Here are some tips for the fill-ins

- Use the lookup options (magnifying glass) as often as possible
- Sort the columns when needed
- Start with broad filters, for California enter 'C' or University enter 'U'

- Know what state your school is Accredited in. For Example, University of Phoenix is accredited in Arizona

### **When will my references be checked?**

Departments can choose to check applicants' references at any time, but they are generally checked after the interview process.

[\[Back to top\]](#)

### **How long after I apply might I be called for an interview?**

The time varies depending on the department conducting the search; however, for staff positions it usually takes two to four weeks after the closing date on the job to conduct interviews and reach a hiring decision. The department conducting the search will notify applicants directly when they decide to interview.

[\[Back to top\]](#)

### **Do I need to submit a separate application for each position that I would like to apply for?**

Yes, a separate application must be submitted for each individual position for which you wish to apply. You must answer all of the questions in the "Application Questionnaire" section before submitting for each application.

[\[Back to top\]](#)

### **Will you consider my application for other positions that are available at CSU, Dominguez Hills?**

No. You will only be considered for the position(s) for which you submit an application. If you would like to be considered for other available positions, you will need to submit your application for each position.

[\[Back to top\]](#)

### **Does CSU, Dominguez Hills accept paper applications?**

All applications and application attachments for staff positions must be submitted through our online recruitment process. No exceptions are allowed.

If you have an issue with submitting attachments for a staff position, please contact Human Resources (310-243-3771) before the closing date of the posted position.

If you have an issue with submitting attachments for faculty positions, please contact Academic Affairs Personnel Services (310-243-3766).
