COURSE TO COURSE NAVIGATION

You can easily switch between courses you are enrolled in, or are teaching, in Blackboard.

1. Click on the grey chevron (drop-down arrow) next to the Home button in the upper left hand corner.

2. Select another course from the drop-down menu

3. The course you selected now appears.

Note: When you navigate between courses this way, you stay in the same content area that you were in before moving to the new course.
