School of Nursing, College of Health, Human Services & Nursing
1000 E. Victoria St. Carson, CA 90747

Picture ID Cards

School of Nursing students must obtain a school id in person at the office of Admissions and Records located in WH-C290 during orientation for the program. Appropriate fee must be paid at the Cashier’s Office and student must bring receipt (proof of payment) with a valid photo id in order for our office to produce a student id card.

The BRN requires every registered nurse to clearly identify themselves by wearing your id on a lanyard or clipping it to a pocket. This identification card should be worn in any clinical settings where students are participating. Lanyard or clip must be purchased separately at an office supply store.

Please contact the office of admissions and records at 310-243-3645 if prior arrangements need to be made.

PLEASE NOTE:
Validation sticker for picture id is provided by the Cashier's Office. Please visit or contact Cashier’s Office at 310-243-3812.
