Student Dress and Appearance Policy
CSUDH School of Nursing

For the duration of all clinical role performance courses, students must recognize that they are ambassadors of the nursing profession in general and CSUDH in particular. Our aim is to meet the needs of the community, whether our patients or our clinical partners, through an adherence to time-honored standards of professionalism and conduct. Appearance, being above all else clean and safe, must serve to emphasize our professional role and not our individuality.

The specific agency policy for dress and appearance must be adhered to by students preparing for or engaging in clinical hours at the agency. Agency specifics shall be discussed with the facilitating preceptor or instructor prior to the beginning of the first clinical day.
